

Partner Agencies

United Way
Helps Fund
80 Partner Agencies
that Provide
Vital Human Services.

You may be familiar with United Way's annual fundraising campaign, but not sure where the money goes. This major effort each year is dedicated to helping fund many of Central Alabama's most vital organizations (our partner agencies) that serve the health, education and financial stability needs of the community. Through the generosity and commitment of United Way donors, our most recent campaign raised more than \$39 million.

Collaboration

United Way
Is Building a
Stronger Community
for Us All
through Partnerships.

United Way strategically brings together groups and organizations, with common goals, to address big-picture issues around health, education and financial stability. Through our Bold Goals Coalition and numerous networks along with community and corporate partners, our ability to make life better for every person in Central Alabama is exponentially increased.

Programs & Services

United Way
Provides More Than 20
Programs & Services
Directly to
Our Community.

In addition to allocating funds to partner agencies, United Way serves the community directly through programs, ranging from Meals on Wheels and the Area Agency on Aging to Free Tax Preparation, Priority Veteran, Financial Stability Services and the Success By 6 early-learning program. By dialing our 2-1-1 Information & Referral line, you can learn about all our programs and many more community resources.

Volunteering

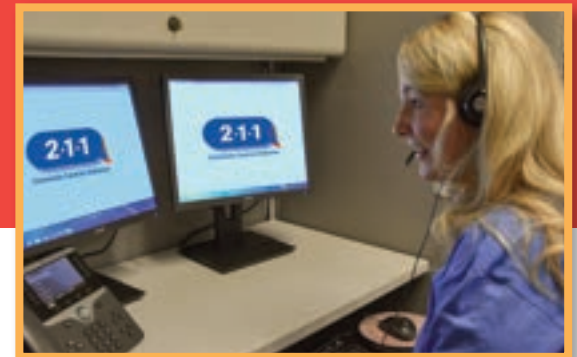

United Way
Offers Countless
Opportunities
for People Who Want to
Get Involved.

United Way is about helping people and making this a better place to live. For anyone who shares that passion, we offer many richly rewarding volunteer opportunities. Through United Way Hands On, our volunteer center, and our online platform known as “Involve” (uwca.givepulse.com), individuals and organizations can find a variety of meaningful ways to make a difference in someone’s life.

Crisis Response

United Way
Responds to People’s
Most Basic Needs
in the
Midst of Crisis.

From floods and tornadoes to global pandemics, United Way is a “first responder” in terms of providing information on available resources through our 2-1-1 Call Center, organizing emergency fundraising campaigns and helping ensure that people’s needs for food and shelter are met. We have also coordinated long-term recovery efforts and reconstruction in the aftermath of devastating storms.
