

BLOUNT COUNTY

United Way supports Blount County residents in many ways. Below is one example of helping those in need.

United Way, through its Bold Goals Coalition, operates the Summer Adventures in Learning (SAIL) program in Blount County. This program helps children avoid the “summer slide” they might otherwise experience in math and reading and allows them to return to school in the fall ready for the new year. Go to uwca.org/blount to learn more.

22,298 Blount County residents were served by United Way partner agencies. *

302 residents contacted United Way’s 2-1-1 Call Center to be connected with the resources they needed.

1,548 children received glasses, school uniforms, supplies and help with dental and medical services through the Central Alabama Children’s Fund.

53 residents received free tax-preparation assistance.

The numbers above represent statistics compiled during 2019.
