

BLOUNT COUNTY

The Blount County Children's Center, a United Way partner agency, is a safe place for victims of child abuse to begin their healing process. There they find caring, compassionate professionals who understand and can help. This is just one of the many partners and programs serving Blount County and supported by United Way.

23,886 Blount County residents were served by United Way partner agencies. *

295 residents contacted United Way's 2-1-1 Call Center to be connected with the resources they needed.

1,649 children received glasses, school uniforms, supplies and help with dental and medical services through the Central Alabama Children's Fund.

50K in United Way Community Crisis funds helped the Blount County Children's Center continue its operations and services to clients throughout the pandemic.

*Clients may be served/counted by more than one agency. Statistics above were compiled from 2020 results.
