

CHILTON COUNTY

Children playing on the playground at YMCA of Chilton County.

United Way of Central Alabama (UWCA) is proud to expand our footprint to include Chilton County to help improve the lives of residents. The YMCA of Chilton County received a \$50,000 Community Crisis Fund (CCF) grant in 2020 to assist with unexpected needs brought about by the pandemic. Safety supplies were purchased and a bus driver was hired to expand pick-up routes, allowing children from underserved areas to attend. CCF grants were also awarded to Butterfly Bridge (\$30,000) and the Chilton County Emergency Management Agency (\$50,000). UWCA looks forward to working with our Chilton County partners to help build a better community. For more information visit uwca.org/chilton.
