

CHILTON COUNTY

In 1984, an eager group of volunteers organized the YMCA of Chilton County, bringing the home-away-from-home concept that began in London 140 years earlier to our community. YWCA is a center for family recreation, fitness and personal growth, and offers a variety of youth-development programs. These include: Healthy Kids Afterschool Alliance; Healthy Kids Before School Care; Summer Camp; and a wide range of recreational and enrichment activities. In addition, they serve meals twice a day to children; and anyone 18 or younger who is facing food insecurity in Chilton County can get a hot meal at the YMCA on weekends. They are focused on helping individuals build a healthy mind, body and spirit in a welcoming and socially engaging environment.

9,087 Chilton County residents were served by United Way of Central Alabama funding.

1,600 youth served by YMCA of Chilton County's summer camp in addition to before and after-school opportunities.

386 clients served by Raleigh's Place in need of foster family resources and support.

133 children supported by Butterfly Bridge Children's Advocacy Center, which provided comprehensive support to children and their families as they work to heal from abuse.

*Clients may be served/counted by more than one agency. Statistics above were compiled from 2022 results.
