STORIES OF IMPACT IN CHILTON COUNTY

GRATITUDE INTO ACTION THROUGH SERVICE

Liz Huntley understands firsthand the impact a supportive community can have on a person's life. A member of United Way of Central Alabama's (UWCA) Board of Directors, she also serves on UWCA's Chilton County Advisory Board, where she helps direct resources to local organizations working to meet needs across the county. One area that has been especially meaningful to Liz is UWCA's support of Butterfly Bridge Children's Advocacy Center. As a child abuse survivor, she has been encouraged to see services expand to reach more children and families. "The impact on Chilton County has been tremendous," Liz said. "From the small grants through our County Advisory Board to the larger grants given to agencies, the difference is clear."
