

WALKER COUNTY

The Literacy Council offers services to Walker County residents, improving the lives of adults through literacy education. The ability to read, write and speak English improves educational attainment, job opportunities and helps one manage his or her own healthcare. The Literacy Council's vision is a community in which each person achieves his or her maximum potential, creating a more literate and skilled society. This is just one of the many United Way partners and programs serving Walker County.

130,563

Walker County residents were served by United Way partner agencies.*

4,006

residents received services through The Literacy Council.

12,800

people received access to nutritious meals and services through the Salvation Army of Walker County.

251

children participated in programs offered by the Boys & Girls Clubs' Walker County program.

*Clients may be served/counted by more than one agency. Statistics above were compiled from 2020 results.
