LIVE UNITED

LEADING THE CHARGE ... INSPIRING THE CHANGE

Women United members donate \$1,000 or more to UWCA annually to provide individuals and families the tools they need to become financially stable, help ensure children are ready to succeed in school and offer opportunities for healthier lifestyles.

Our mission is simple yet bold: to inspire, educate and motivate women to become positive change-agents within our community through philanthropy, leadership and volunteerism. Together, we will create lasting change to lift up entire communities by helping those who need us most.
